Making Things

- If I make something as a student do I own it?
- How do I protect my ideas?

Selling Things

- If I start to sell things that I have made, what are the legal issues?
- How can I protect against problems?

Working Together

- If I work in a team to make something, how do I make sure that it always ends well?

Next Steps

- If I'm serious about this, what do I do next?
- What should I not do?
